

Step by step guide to:  
Direct Deposit

---

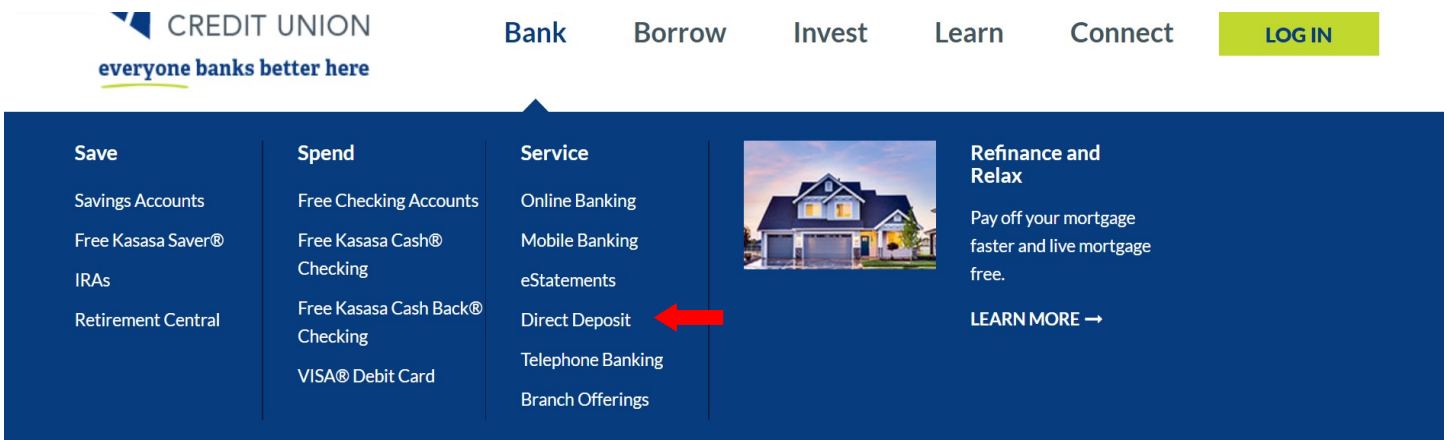

# What is Direct Deposit?

You can enroll in direct deposit to have your paycheck or other recurring payments automatically deposited into your Sikorsky Credit Union accounts.

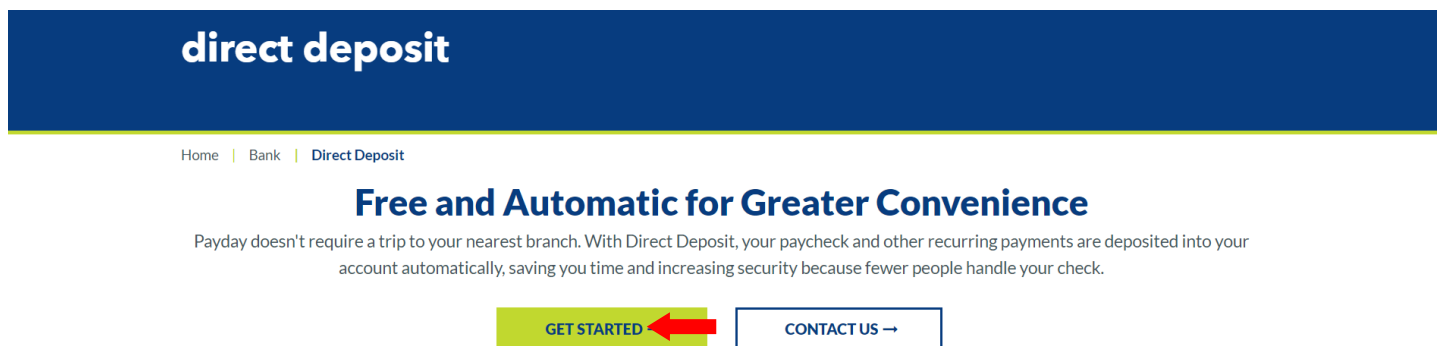

You will need Sikorsky Credit Union's routing number (221180806) along with the account number and suffix for where you want payments to be deposited.

# Setting Up Direct Deposit

First, you will need to head to the Sikorsky Credit Union Website and hover over "Bank." This will bring down a blue menu bar - please click on direct deposit.

Once you're on the direct deposit page, you must click on "Get Started" to access the correct Direct Deposit form.

Print this form and fill it out with your correct account information. Please be sure to include the correct account suffix. Once you've completed this form, be sure to hand it in to your payroll or pension provider.
