# What is Online Banking?

Online Banking is a way to get access to your accounts 24/7 on your computer or mobile phone. You will have the ability to send money, set up bill pay, view statements, organize payments, set a budget, and more.

A member number and CALL-24 PIN is needed to enroll in online banking. If you don't have a CALL-24 PIN, please call (800) 874-6424 and enter your member number.

## Enrolling in Online Banking

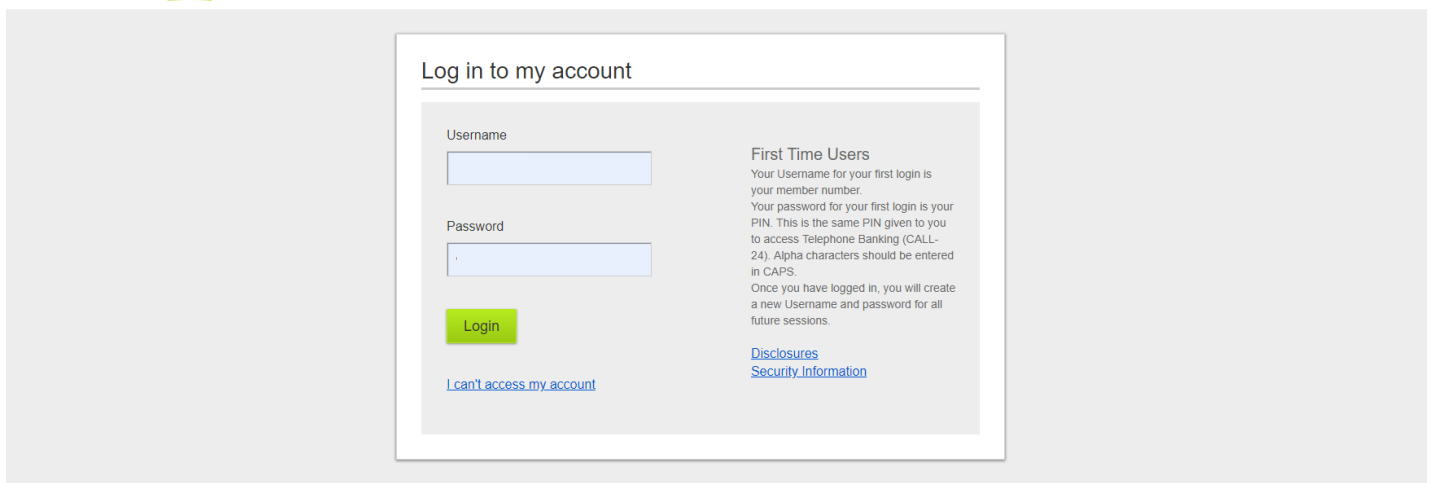

The easiest way to access our online banking portal is through our website [www.sikorskycu.org](http://www.sikorskycu.org). On the top of every page, you will see a green button that says "LOG IN". Click on this button to access the online banking portal.

Once you get to the log in screen - please log in using your member number and your CALL-24 PIN. Once logged in, you will be prompted to create a personal username and password. For all future sessions, you will use this username and password to log in.
