### Step 2: Select Date Range

On the Account History page, click the date range you wish to display history for. You can show this in 10 day increments, 30 day increments, monthly increments or a custom date range.

### Step 3: Export History

After you select the date range, click on export. In the pop up choose how you want to export (Excel, OFX, Quicken or QuickBooks). Finally, click the green 'Export' button.
